

On October 23rd, 1922. Went to the main office of the New York Telegraph Company for the purpose of tracing such telegram if any existed.

Went to Gifford's office but was told he was out. Then went in to see Mr. Eagen. Mr. Eagen informed me that I would need a letter of administration to get a copy of the telegram.

I then returned to New Brunswick and saw Jim Mills' Mother, who informed me that I could see Mr. Mills at the church at about 7 P.M. From 7 P.M. was at the church until about 11:30 P.M. where I secured a statement from Jim Mills with regards to his movements from September 13th, 1922 until the day the bodies were found.
